His extensive background and connections in the investment community will help us accelerate our fund-raising and operational programs. Chairman and Chief Financial Officer, John Campbell, has stepped down from the roles of President and Corporate Secretary.

Mr. Campbell stated, “The Board would like to thank Mr. Handford for his diligence in guiding the Company through its first technical report, a successful IPO, other private financing and operational milestones, and raising the profile of the Company through marketing and social media programs. We look forward to his continued contributions in his new roles with the Company.”
